

New Year.

My dear sisters and brothers as we leave 2020 and another year begins, we look forward to new and bright days ahead. With the introduction of vaccines to help battle the virus that has plagued most of our past year we can live in hope that 2021 will bring us good tidings for the year and beyond. Hopefully we will soon be able to open our church doors to all of you without major restrictions.

I would also like to take this opportunity to express my gratitude for your continued support of your parish through your prayers and financial support. It is very much appreciated. Many thanks also go to all who give their time in looking after our church of St. Anthony's, without which we would not be able to function.

And to all who attend our sister churches of St. Nicolas, St. Joseph's and Sacred Heart, Rue le Correge, I wish you and your families all the blessings for the coming year. A special thank you to all who work behind the scenes in keeping everything going. I appreciate the hard work that all of you do very much. Many thanks also to the priests to celebrate mass in our sister churches.

On behalf of Fr. Pat and myself we would like to wish you all and your families a very Happy New Year, and many thanks for your kindness towards us both. Please God we will all be able to meet up soon.

May Mary, Mother of God be with us all, and intercede with her Son Jesus on our behalf.

God Bless you all.

Frs. Michael and Pat.
