## Communion Reflection

### *Love one another*

'Love one another' is the basic principle of Christianity, to love as Jesus loved. It is simple, yet we can make it so complicated. Jesus' love was controversial for some people, because it was love without exclusion. To love as Jesus loved is to love those it is hard to love. This love ultimately led to Jesus' death. Jesus loved sinners, tax collectors, prostitutes, people of other religions, the poor, the unwanted, the sick, the beggar, the leper. This love is too much for some Christians today also. It is hard to love the sinner or to love family members or friends who have hurt us. Yet this is the love that we are called to. Once we begin to accept that we are infinitely loved by God, it is like a domino effect where that love is poured outwards in our lives. We are part of this outpouring of God's creative love and are called to bring this into places where there is none. In this way we are helping to heal, sustain and nourish this world. Let us hear those words of the Gospel more clearly today: 'Just as I have loved you, you must also love one another. By this everyone will know that you are my disciples.' Let us dream of, and work towards, a world where this is a reality.

- Jane Mellett
