

Contributions for the Summer Fayre Guidelines for Donors

- The Fayre is the key fund-raising event of the year for the parish. We are hugely grateful for all the contributions made by parishioners: your time, your help, and everything you donate to us for sale.
- Please ensure that the contributions are good quality; before you donate an item for sale, please consider if fellow-parishioners could be interested to buy it.
- The items you donate are processed, sorted, stocked, displayed and sold by volunteers. **Kindly respect their time and energy in the choice of what you donate.**
